INVITATION MESSAGE

Dear Colleagues,

On behalf of the Association of Pediatric Surgeons of Pakistan (APSP), it is my great pleasure to extend a warm invitation to all Pediatric Surgeons, Pediatric Surgical Subspecialists, trainees, and healthcare professionals to participate in the 34th National Congress of APSP, scheduled from 30th October to 1st November 2026 at Mohi-ud-Din Islamic Medical College, Mirpur, Azad Jammu & Kashmir.

This congress, themed “Shaping the Future of Pediatric Surgery in Pakistan through Green Guidelines,” will provide an excellent platform for scientific exchange, academic collaboration, innovation, and professional networking. The meeting will feature plenary sessions, scientific presentations, state-of-the-art lectures, workshops, free papers, poster competitions, and opportunities for interaction with distinguished national and international faculty.

Beyond academics, the beautiful landscape and hospitality of Mirpur AJK will make this congress a memorable experience for all participants. We especially encourage young surgeons and trainees to actively contribute through abstract submissions and scientific participation.

I cordially invite colleagues from Pediatric Surgery, allied surgical specialties, pediatrics, anesthesiology, neonatology, nursing, and all healthcare disciplines to join us in this prestigious national gathering and contribute towards advancing safe, sustainable, and high-quality surgical care for children in Pakistan.

We look forward to welcoming you to Mirpur AJK for an enriching academic and social experience.

With warm regards,

Prof. Dr. Muhammad Amjad Chaudhary

President

Association of Pediatric Surgeons of Pakistan (APSP)
